

Incredible

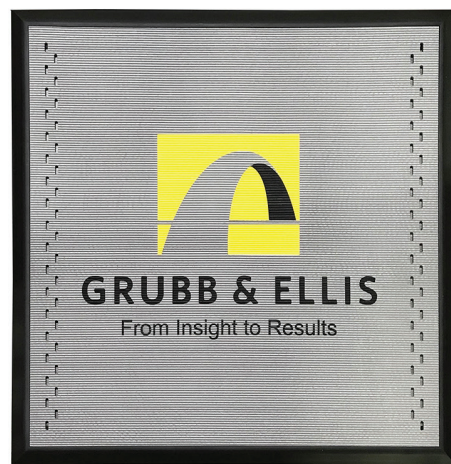

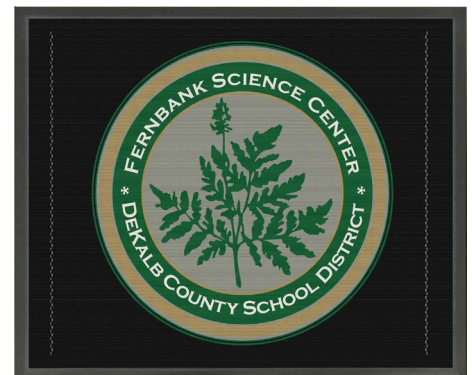

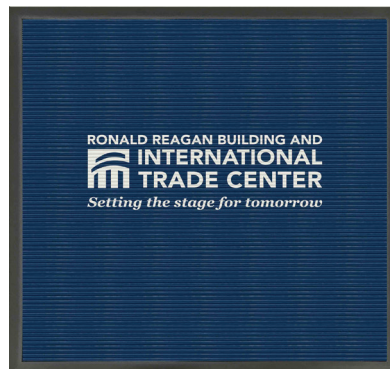

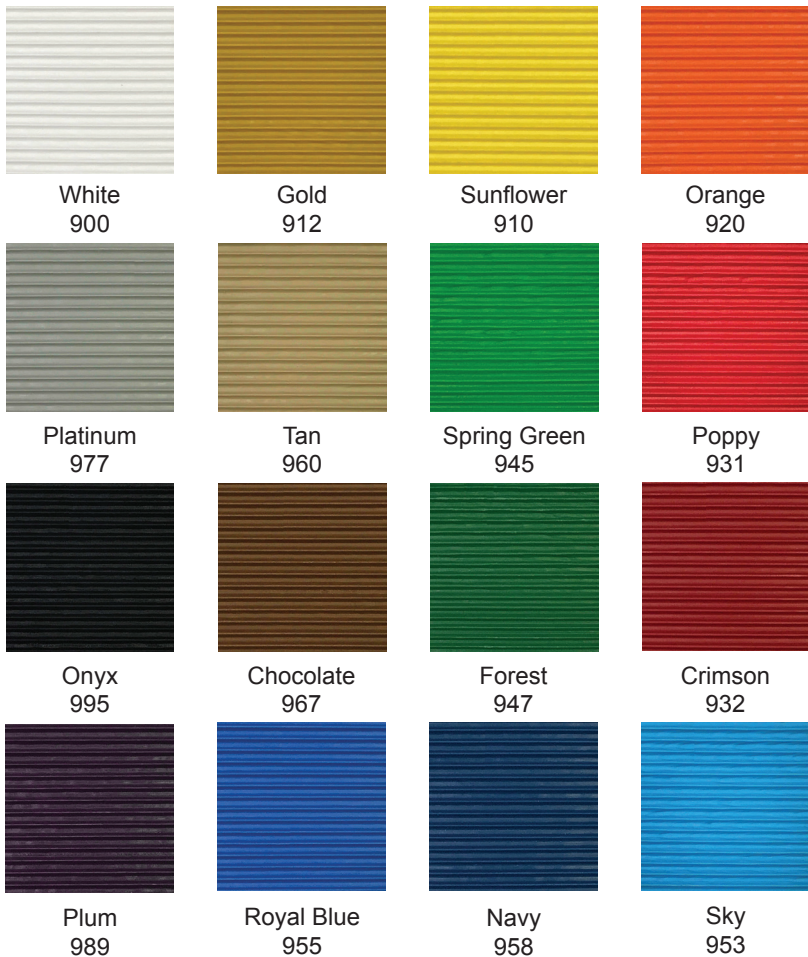

Hi-Definition matting for true outdoor use. Durable, heavy weight, wonderful colors through and through ... and drainable. Logos weighing in at 48 ounces per square foot.

Imagine the possibilities! No longer do high traffic areas have to compromise image quality for durability and performance in extreme outdoor climates.

These mats utilize an aggressive squeegee blade design that cleans debris and prevents water and grime from reaching the indoors. This aggressive wiping action made from durable PVC vinyl offered in a wide array of colors allows Niche Graphic Flooring to offer the best entrance mat for extreme climates in high demand areas.

Incredible is a BEAST! To quote one Commanding Officer at a military base, "Son, this building will come down before this mat will move!"
